MARCH 2015

MANAGEMENT CHANGE

As you may know, Penny Rush decided to retire from St. Thomas Square after MANY years of service. We have a new General Manager and CAM, Lorie Blue. She comes to us with years of management experience and is excited to join our family!

Lorie's first project was renovating the Clubhouse. Designer Jo Abshire donated her services and collaborated with Lorie to implement a fresh and functional design. Our talented maintenance worker, Joe Rogers provided the extensive muscle, woodworking and painting skills.

We have installed a chain link fence at our property line to help deter trespassing. The pool fencing will be replaced in sections throughout the summer.

Next projects include new sod in front of the Villas, and renewed landscaping throughout the property, as well as a solution for the tennis court surface.
