FLORIDA CHANGES

This endorsement modifies insurance provided under the following:

BUSINESSOWNERS COVERAGE FORM

A. Section I – Property is amended as follows:

1. Paragraph **B.1.e. Power Failure** Exclusion is replaced by the following:

e. Utility Services

The failure of power, communication, water or other utility service supplied to the described premises, however caused, if the failure:

- (1) Originates away from the described premises; or
- (2) Originates at the described premises, but only if such failure involves equipment used to supply the utility service to the described premises from a source away from the described premises.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular or satellite network.

This exclusion does not apply to loss or damage to "computer(s)" and "electronic data".

2. Paragraph **B.2.a. Electrical Apparatus** Exclusion is replaced by the following:

a. Electrical Apparatus

Artificially generated electrical, magnetic or electromagnetic energy that damages, disturbs, disrupts or otherwise interferes with any:

- (1) Electrical or electronic wire, device, appliance, system or network; or;

(2) Device, appliance, system or network utilizing cellular or satellite technology.

For the purpose of this exclusion, electrical, magnetic or electromagnetic energy includes but is not limited to:

- (1) Electrical current, including arcing;
- (2) Electrical charge produced or conducted by a magnetic or electromagnetic field;
- (3) Pulse of electromagnetic energy; or
- (4) Electromagnetic waves or microwaves.

But if fire results, we will pay for the loss or damage caused by fire.

We will pay for loss or damage to "computer(s)" due to artificially generated electrical, magnetic or electromagnetic energy if such loss or damage is caused by or results from:

- (1) An occurrence that took place within 100 feet of the described premises; or
- (2) Interruption of electric power supply, power surge, blackout or brownout if the cause of such occurrence took place within 100 feet of the described premises.

3. The following is added to **B.2. Exclusions**:

p. Continuous Or Repeated Seepage Or Leakage Of Water

Continuous or repeated seepage or leakage of water, or the presence or condensation of humidity, moisture or vapor, that occurs over a period of 14 days or more.

4. Paragraph **E.2. Appraisal** Property Loss Condition is replaced by the following:

2. Mediation Or Appraisal

If there is a dispute with respect to a claim under this policy, you or we may:

- a. Demand a mediation of the loss in accordance with the rules established by the Florida Department of Financial Services. The loss amount must be \$500 or more, prior to application of the deductible; or there must be a difference of \$500 or

more between the loss settlement amount we offer and the loss settlement amount that you request. The settlement in the course of the mediation is binding only if both parties agree, in writing, on a settlement and you have not rescinded the settlement within three (3) business days after reaching settlement. You may not rescind the settlement after cashing or depositing the settlement check or draft we provided to you.

We will pay the cost of conducting any mediation conference except when you fail to appear at a conference. That conference will then be rescheduled upon your payment of the mediator's fee for that rescheduled conference. However, if we fail to appear at a mediation conference, we will pay your actual cash expenses incurred while attending the conference and also pay the mediator's fee for the rescheduled conference.

- b. If you and we fail to agree on the amount of loss, either may request an appraisal of the loss by presenting the other party with a written request for appraisal of the amount of loss. If the other party agrees in writing to participate in appraisal, then appraisal shall proceed.

Each party will choose a competent and disinterested appraiser within 20 days after receiving a written request from the other. The two appraisers will choose a competent and disinterested umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the "residence premise" is located. The appraisers will separately set the amount of the loss, stating separately "actual cash value" and applicable replacement cost for each item. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of the loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of "actual cash value" and replacement cost for the loss.

Each party will:

- (1) Pay its own appraiser; and
- (2) Bear the other expenses of the appraisal and umpire equally.

5. Paragraph E.3. Duties In The Event Of Loss Or Damage Property Loss Condition is replaced by the following:

3. Duties in the Event of Loss or Damage

- a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.
- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limits of Insurance of Section I – Property. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
Attach all bills, receipts and related documents that justify the figures in the inventory.
- (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.
Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
- (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (8) Cooperate with us in the investigation or settlement of the claim.
- (9) Resume all or part of your "operations" as quickly as possible.

- b. We may examine you or any insured under oath, and take recorded statements; while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records.

In the event of an examination, an insured's answers must be signed.

- c. If you are an association, corporation or other entity, any members, officers, directors, partners or similar representatives of the association, corporation or other entity must:

- (1) Submit to examinations under oath and recorded statements, while not in the presence of any other insured; and

- (2) Sign the same.

- d. Anyone you hire in connection with the presentation of your claim, including any public adjuster engaged on your behalf, and anyone insured under this policy, other than **b.** or **c.** above; must:

- (1) Submit to examinations under oath and recorded statements, while not in the presence of any other insured; and

- (2) Sign the same.

- e. A claim for loss or damage caused by hurricane or other windstorm must be given to us in accordance with the terms of this policy and within one year after the hurricane first made landfall or a windstorm other than hurricane caused the covered damage.

6. Paragraph E.4.b. Legal Action Against Us Property Loss Condition is replaced by the following:

- b. Legal action against us involving direct physical loss or damage to property must be brought within 5 years from the date the loss occurs.

7. Paragraph E.6.a. Loss Payment Property Loss Condition is replaced by the following:

- a. At our option, we will either:

- (1) Pay the value of lost or damaged property;
- (2) Pay the reasonable cost of repairing or replacing the lost or damaged property;
- (3) Take all or any part of the property at an agreed or appraised value;
- (4) Repair, rebuild or replace any part or item of the property with material or

property of like kind and quality, subject to Paragraph **d.(1)(e)** below.

- (5) If an identical replacement is not available, we may, at our option, substitute replacement of equal or greater features, functions or capabilities of the damaged property, subject to Paragraph **d.(1)(e)** below.

8. If Replacement Cost (R/C) is entered into the Declarations:

Paragraph **E.6.d.(1)(a) Loss Payment** Property Loss Condition is replaced by the following:

- (1) At replacement cost without deduction for depreciation. Subject to the following:

- (a) We will pay the reasonable cost to repair or replace, after application of the deductible and without deduction for depreciation, but no more than the least of the following amounts:

- (i) The Limit of Insurance under **Section I - Property** that applies to the lost or damaged property;

- (ii) The reasonable cost to replace, on the same premises, the lost or damaged property with other property:

- i. Of comparable material and quality; and

- ii. Used for the same purpose, or

- (iii) The reasonable amount that you should have spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost is limited to the cost which would have been incurred had the building been built at the original premises.

Paragraph **(1)(b)** does not apply.

9. Paragraph E.6.d.(1)(e) Loss Payment Property Loss Condition is replaced by the following:

- (e) The reasonable cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.

10. If Actual Cash Value (ACV) is entered into the Declarations:

Paragraph **E.6.d.(2) Loss Payment** Property Loss Condition is replaced by the following:

- (2) If the "Actual Cash Value" option applies, Paragraph **(1)** above does not apply to Covered Property. Instead we will determine the value of Covered Property at actual cash value.

11. Paragraph **E.6.g. Loss Payment** Property Loss Condition is replaced by the following:

g. Provided you have complied with all the terms of this Policy, we will pay for covered loss or damage upon the earliest of the following:

- (1) Within 20 days after we receive the sworn proof of loss and reach written agreement with you;
- (2) Within 30 days after we receive the sworn proof of loss and:
 - (a) There is an entry of a final judgment; or
 - (b) There is a filing with of a mediation settlement with us.

12. Under **E. Property Loss Conditions**, the following provision is added:

10. Salvage

We may permit you to keep damaged insured property after a loss. If we permit you to keep damaged insured property, we will reduce the amount of loss proceeds payable to you under the policy by the value of the salvage.

13. Sinkhole Collapse Coverage Removed

Throughout the policy Sinkhole Collapse is deleted from the "specified causes of loss" and is no longer an exception to the Earth Movement exclusion. Catastrophic Ground Cover Collapse is added instead as set forth in Paragraph **A.15.** of this endorsement.

Further, this Policy does not insure against "Sinkhole Loss" unless an endorsement for "Sinkhole Loss" is made part of this policy. However, if "Sinkhole Loss" causes Catastrophic Ground Cover Collapse, coverage is provided for the resulting Catastrophic Ground Cover Collapse even if an endorsement for "Sinkhole Loss" is not made part of this policy.

14. If Windstorm or Hail is a Covered Cause of Loss, and Covered Property is located in:

- a. Monroe County; or
- b. East of the west bank of the Intra-Coastal Waterway in
 - (1) Broward County;
 - (2) Dade County;
 - (3) Indian River County;
 - (4) Martin County;
 - (5) Palm Beach County; or
 - (6) St. Lucie County

the following applies:

If loss or damage to Covered Property is caused by or results from Windstorm or Hail, the following exclusion applies:

Windstorm Exterior Paint Or Waterproofing Exclusion

We will not pay for loss or damage to:

- (1) Paint; or
- (2) Waterproofing material; applied to the exterior of Buildings.

We will not include the value of paint or waterproofing material to determine:

- (1) The amount of the Windstorm or Hail Deductible; or
- (2) The value of Covered Property.

15. The following is added to this Policy as a Covered Cause Of Loss and as a "specified cause of loss". However, as a "specified cause of loss", the following does not apply to the Additional Coverage – Collapse.

Catastrophic Ground Cover Collapse

We will pay for direct physical loss or damage to Covered Property caused by or resulting from Catastrophic Ground Cover Collapse, meaning geological activity that results in all of the following:

- (a) The abrupt collapse of the ground cover;
- (b) A depression in the ground cover clearly visible to the naked eye;
- (c) "Structural damage" to the covered building, including the foundation; and
- (d) The insured structure being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that structure.

However, damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute loss or damage resulting from a Catastrophic Ground Cover Collapse.

The Earth Movement exclusion and the Collapse exclusion do not apply to coverage for Catastrophic Ground Cover Collapse.

Coverage for Catastrophic Ground Cover Collapse does not increase the applicable Limit of Insurance. Regardless of whether loss or damage attributable to Catastrophic Ground Cover Collapse also qualifies as "Sinkhole Loss" or Earthquake (if either or both of those causes of loss are covered under this Policy), only one Limit of Insurance will apply to such loss or damage.

16. For the purposes of this endorsement, the following is added to the Definitions in **Section I – Property**:

“Sinkhole Loss” means loss or damage to Covered Property when “structural damage” to the covered building, including the foundation, is caused by settlement or systematic weakening of the earth supporting the covered building only if the settlement or systematic weakening results from contemporaneous movement or raveling of soils, sediments, or rock materials into subterranean voids created by the effect of water on a limestone or similar rock formation.

“Structural damage” means a covered building, regardless of the date of its construction, has experienced the following:

- a. Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represents a safety hazard as defined within the Florida Building Code.
- b. Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the “primary structural members” or “primary structural systems” that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those “primary structural members” or “primary structural systems” exceeds one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;
- c. Damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical “primary structural members” to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
- d. Damage that results in the building, or any portion of the building containing “primary structural members” or “primary structural systems”, being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting

such building as defined within the Florida Building Code; or

- e. Damage occurring on or after October 15, 2005, that qualifies as “substantial structural damage” as defined in the Florida Building Code.

“Primary structural member” means a structural element designed to provide support and stability for the vertical or lateral loads of the overall structure.

“Primary structural system” means an assemblage of “primary structural members”.

B. Section II – Liability is amended as follows:

1. The following is added to Paragraph **E.2. Duties In The Event Of Occurrence, Offense, Claim Or Suit**:

- e. We may examine you or any insured under oath, and take recorded statements; while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured’s books and records.

In the event of an examination, an insured’s answers must be signed.

- f. If you are an association, corporation or other entity, any members, officers, directors, partners or similar representatives of the association, corporation or other entity must:

- (1) Submit to examinations under oath and recorded statements, while not in the presence of any other insured; and

- (2) Sign the same.

- g. Anyone you hire in connection with the presentation of your claim and anyone insured under this policy, other than e. or f. above; must:

- (1) Submit to examinations under oath and recorded statements, while not in the presence of any other insured; and

- (2) Sign the same.

C. Section III – Common Policy Conditions is amended as follows:

1. Paragraph **A.2. Cancellation** is replaced by the following:

2. **Cancellation For Policies In Effect 90 Days Or Less**

- a. If this policy has been in effect for 90 days or less, we may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation, accompanied by the specific reasons for cancellation, at least:

- (1) 10 days before the effective date of cancellation if we cancel for non-payment of premium; or
- (2) 20 days before the effective date of cancellation if we cancel for any other reason, except we may cancel immediately if there has been:
 - (a) A material misstatement or misrepresentation; or
 - (b) A failure to comply with underwriting requirements established by the insurer.

b. We may not cancel:

On the basis of property insurance claims that are the result of an act of God, unless we can demonstrate, by claims frequency or otherwise, that you have failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property.

2. The following is added to Paragraph A. Cancellation:

7. Cancellation For Policies In Effect For More Than 90 Days

- a. If this policy has been in effect for more than 90 days, we may cancel this policy only for one or more of the following reasons:
 - (1) Nonpayment of premium;
 - (2) The policy was obtained by a material misstatement;
 - (3) There has been a failure to comply with underwriting requirements established by us within 90 days of the effective date of coverage;
 - (4) There has been a substantial change in the risk covered by the policy;
 - (5) The cancellation is for all insureds under such policies for a given class of insureds;
 - (6) On the basis of property insurance claims that are the result of an act of God, if we can demonstrate, by claims frequency or otherwise, that you have failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property.
- b. If we cancel this policy for any of these reasons, we will mail or deliver to the first Named Insured written notice of cancellation, accompanied by the specific reasons for cancellation, at least:

- (1) 10 days before the effective date of cancellation if cancellation is for nonpayment of premium; or
- (2) 45 days before the effective date of cancellation if:
 - (a) Cancellation is for one or more of the reasons stated in Paragraphs a.(2) through a.(6) above.

3. The following Paragraph is added:

M. Nonrenewal

- 1. If we decide not to renew this policy we will mail or deliver to the first Named Insured written notice of nonrenewal, accompanied by the specific reason for nonrenewal, at least:
 - a. 45 days prior to the expiration of the policy for all policies.
- 2. Any notice of nonrenewal will be mailed or delivered to the first Named Insured's last mailing address known to us. If notice is mailed, proof of mailing will be sufficient proof of notice.
- 3. We may not refuse to renew this policy:
 - a. On the basis of property insurance claims that are the result of an act of God, unless we can demonstrate, by claims frequency or otherwise, that you have failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property; or
 - b. On the basis of filing of claims for "Sinkhole Loss". However, we may refuse to renew this policy if:
 - (1) The total of such property insurance claim payments for this policy equals or exceeds the policy limits in effect on the date of loss for property damage to the covered building; or
 - (2) You have failed to repair the structure in accordance with the engineering recommendations upon which any loss payment or policy proceeds were based.

All other provisions of this policy apply.

BUSINESSOWNERS COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this Coverage Form the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the Company providing this insurance.

In **Section II - Liability**, the word "insured" means any person or organization qualifying as such under Paragraph **C - Who Is An Insured**.

Other words and phrases that appear in quotation marks have special meaning. Refer to Paragraph **H. Property Definitions** in **Section I - Property** and Paragraph **F. Liability And Medical Expenses Definitions** in **Section II - Liability**.

SECTION I - PROPERTY

A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

1. Covered Property

Covered Property includes Buildings as described under Paragraph **a.** below, Business Personal Property as described under Paragraph **b.** below, or both, depending on whether a Limit of Insurance is shown in the Declarations for that type of property. Regardless of whether coverage is shown in the Declarations for Buildings, Business Personal Property, or both, there is no coverage for property described under Paragraph **2. Property Not Covered**.

a. Buildings, meaning the buildings and structures at the premises described in the Declarations, including:

- (1) Completed additions;
- (2) Fixtures, including outdoor fixtures;
- (3) Permanently installed:
 - (a) Machinery; and
 - (b) Equipment;
- (4) Your personal property in apartments, rooms or common areas furnished by you as landlord;
- (5) Personal property owned by you that is used to maintain or service the buildings or structures or the premises, including:

- (a) Fire extinguishing equipment;
 - (b) Outdoor furniture;
 - (c) Floor coverings; and
 - (d) Appliances used for refrigerating, ventilating, cooking, dishwashing or laundering;
- (6) If not covered by other insurance:
- (a) Additions under construction, alterations and repairs to the buildings or structures;
 - (b) Materials, equipment, supplies and temporary structures, on or within 100 feet of the described premises, used for making additions, alterations or repairs to the buildings or structures.

b. Business Personal Property located in or on the buildings at the described premises or in the open (or in a vehicle) within 100 feet of the described premises, including:

- (1) Property you own that is used in your business;
- (2) Property of others that is in your care, custody or control, except as otherwise provided in Loss Payment Property Loss Condition Paragraph **E.6.d.(3)(b)**;
- (3) Tenant's improvements and betterments. Improvements and betterments are fixtures, alterations, installations or additions:
 - (a) Made a part of the building or structure you occupy but do not own; and
 - (b) You acquired or made at your expense but cannot legally remove; and
- (4) Leased personal property for which you have a contractual responsibility to insure, unless otherwise provided for under Paragraph **1.b.(2)**.
- (5) Exterior building glass, if you are a tenant and no Limit of Insurance is shown in the Declarations for Building property. The glass must be owned by you or in your care, custody or control.

2. Property Not Covered

Covered Property does not include:

- a.** Aircraft, automobiles, motortrucks and other vehicles subject to motor vehicle registration;

- b. "Money" or "securities" except as provided in the:
 - (1) Money and Securities Optional Coverage; or
 - (2) Employee Dishonesty Optional Coverage;
- c. Contraband, or property in the course of illegal transportation or trade;
- d. Land (including land on which the property is located), water, growing crops or lawns;
- e. Outdoor fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, signs (other than signs attached to buildings), trees, shrubs or plants, all except as provided in the:
 - (1) Outdoor Property Coverage Extension; or
 - (2) Outdoor Signs Optional Coverage;
- f. Watercraft (including motors, equipment and accessories) while afloat.
- g. Accounts, bills, food stamps, other evidences of debt, accounts receivable or "valuable papers and records"; except as otherwise provided in this policy.
- h. "Computer(s)" which are permanently installed or designed to be permanently installed in any aircraft, watercraft, motortruck or other vehicle subject to motor vehicle registration. This paragraph does not apply to "computer(s)" while held as "stock".

3. Covered Causes Of Loss

Risks of direct physical loss unless the loss is:

- a. Excluded in Paragraph B. Exclusions in Section I; or
- b. Limited in Paragraph 4. Limitations in Section I.

4. Limitations

- a. We will not pay for loss of or damage to:
 - (1) Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for loss of or damage to such equipment caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.

- (2) Hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment, other than an explosion.
- (3) Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property. This limitation does not apply to the Optional Coverage for Money and Securities.
- (4) Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.
- (5) The interior of any building or structure caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:
 - (a) The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand or dust enters; or
 - (b) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.
- b. We will not pay for loss of or damage to fragile articles such as glassware, statuary, marbles, chinaware and porcelains, if broken, unless caused by the "specified causes of loss" or building glass breakage. This restriction does not apply to:
 - (1) Glass that is part of the exterior or interior of a building or structure;
 - (2) Containers of property held for sale; or
 - (3) Photographic or scientific instrument lenses.
- c. For loss or damage by theft, the following types of property are covered only up to the limits shown:
 - (1) \$2,500 for furs, fur garments and garments trimmed with fur.
 - (2) \$2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semi-precious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth \$100 or less per item.
 - (3) \$2,500 for patterns, dies, molds and forms.

5. Additional Coverages

a. Debris Removal

- (1) Subject to Paragraphs (3) and (4), we will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
 - (a) Extract "pollutants" from land or water; or
 - (b) Remove, restore or replace polluted land or water.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
 - (a) The most that we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
 - (b) Subject to Paragraph (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.
- (4) We will pay up to an additional \$10,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:
 - (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
 - (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if Paragraphs (4)(a) and/or (4)(b) apply, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$10,000.

(5) Examples

Example #1

Limit of Insurance	\$ 90,000
Amount of Deductible	\$ 500
Amount of Loss	\$ 50,000
Amount of Loss Payable	\$ 49,500
	(\$50,000 - \$500)
Debris Removal Expense	\$ 10,000
Debris Removal Expense Payable	\$ 10,000
	(\$10,000 is 20% of \$50,000)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

Example #2

Limit of Insurance	\$ 90,000
Amount of Deductible	\$ 500
Amount of Loss	\$ 80,000
Amount of Loss Payable	\$ 79,500
	(\$80,000 - \$500)
Debris Removal Expense	\$ 30,000
Debris Removal Expense Payable	
	Basic Amount \$ 10,500
	Additional Amount \$ 10,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000; capped at \$10,500). The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$30,000) exceeds 25% of the loss payable plus the deductible (\$30,000 is 37.5% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$30,000 = \$109,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$10,000, the maximum payable under Paragraph (4). Thus the total payable for debris removal expense in this example is \$20,500; \$9,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss of or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000 for your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

d. Collapse

- (1) With respect to buildings:
 - (a) Collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose;
 - (b) A building or any part of a building that is in danger of falling down or caving in is not considered to be in a state of collapse;
 - (c) A part of a building that is standing is not considered to be in a state of collapse even if it has separated from another part of the building;

- (d) A building that is standing or any part of a building that is standing is not considered to be in a state of collapse even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

- (2) We will pay for direct physical loss or damage to Covered Property, caused by collapse of a building or any part of a building that is insured under this policy, if the collapse is caused by one or more of the following:

- (a) The "specified causes of loss" or breakage of building glass, all only as insured against in this policy;
- (b) Decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
- (c) Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
- (d) Weight of people or personal property;
- (e) Weight of rain that collects on a roof;
- (f) Use of defective material or methods in construction, remodeling or renovation if the collapse occurs during the course of the construction, remodeling or renovation. However, if the collapse occurs after construction, remodeling or renovation is complete and is caused in part by a cause of loss listed in Paragraphs (a) through (e), we will pay for the loss or damage even if use of defective material or methods in construction, remodeling or renovation, contributes to the collapse.

The criteria set forth in Paragraphs (1)(a) through (1)(d) do not limit the coverage otherwise provided under this Additional Coverage for the causes of loss listed in Paragraphs (2)(a), (2)(d) and (2)(e).

- (3) With respect to the following property:

- (a) Awnings;
- (b) Gutters and downspouts;
- (c) Yard fixtures;
- (d) Outdoor swimming pools;
- (e) Piers, wharves and docks;

- (f) Beach or diving platforms or appurtenances;
- (g) Retaining walls; and
- (h) Walks, roadways and other paved surfaces;

if the collapse is caused by a cause of loss listed in Paragraphs (2)(b) through (2)(f), we will pay for loss or damage to that property only if such loss or damage is a direct result of the collapse of a building insured under this policy and the property is Covered Property under this policy.

- (4) If personal property abruptly falls down or caves in and such collapse is not the result of collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:
 - (a) The collapse was caused by a cause of loss listed in Paragraphs (2)(a) through (2)(f) of this Additional Coverage;
 - (b) The personal property which collapses is inside a building; and
 - (c) The property which collapses is not of a kind listed in Paragraph (3) above, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph (4) does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

Collapse of personal property does not mean cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

- (5) This Additional Coverage, Collapse, will not increase the Limits Of Insurance provided in this policy.

e. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes.

We will not pay the cost to repair any defect that caused the loss or damage; but we will pay the cost to repair or replace damaged parts of fire extinguishing equipment if the damage:

- (1) Results in discharge of any substance from an automatic fire protection system; or
- (2) Is directly caused by freezing.

f. Business Income

(1) Business Income

- (a) We will pay for the actual loss of Business Income you sustain due to the necessary suspension of your "operations" during the "period of restoration". The suspension must be caused by direct physical loss of or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of the site at which the described premises are located.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of the site at which the described premises are located, your premises means:

- (i) The portion of the building which you rent, lease or occupy; and
- (ii) Any area within the building or on the site at which the described premises are located, if that area services, or is used to gain access to, the described premises.

- (b) We will only pay for loss of Business Income that you sustain during the "period of restoration" and that occurs within 12 consecutive months after the date of direct physical loss or damage. We will only pay for ordinary payroll expenses for 60 days following the date of direct physical loss or damage, unless a greater number of days is shown in the Declarations.

- (c) Business Income means the:
- (i) Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses; and
 - (ii) Continuing normal operating expenses incurred, including payroll.
- (d) Ordinary payroll expenses:
- (i) Mean payroll expenses for all your employees except:
 - i. Officers;
 - ii. Executives;
 - iii. Department Managers;
 - iv. Employees under contract; and
 - v. Additional Exemptions shown in the Declarations as:
 - Job Classifications; or
 - Employees.
 - (ii) Include:
 - i. Payroll;
 - ii. Employee benefits, if directly related to payroll;
 - iii. FICA payments you pay;
 - iv. Union dues you pay; and
 - v. Workers' compensation premiums.

(2) Extended Business Income

- (a) If the necessary suspension of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:
 - (i) Begins on the date property except finished stock is actually repaired, rebuilt or replaced and "operations" are resumed; and

- (ii) Ends on the earlier of:
 - i. The date you could restore your "operations", with reasonable speed, to the level which would generate the Business Income amount that would have existed if no direct physical loss or damage had occurred; or
 - ii. 30 consecutive days after the date determined in Paragraph (a)(i) above, unless a greater number of consecutive days is shown in the Declarations.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

- (b) Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

- (3) With respect to the coverage provided in this Additional Coverage, suspension means:

- (a) The partial slowdown or complete cessation of your business activities; and

- (b) That a part or all of the described premises is rendered untenable, if coverage for Business Income applies.

- (4) This Additional Coverage is not subject to the Limits of Insurance of **Section I - Property**.

g. Extra Expense

- (1) We will pay necessary Extra Expense you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of the site at which the described premises are located.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of the site at which the described premises are located, your premises means:

- (a) The portion of the building which you rent, lease or occupy; and
 - (b) Any area within the building or on the site at which the described premises are located, if that area services, or is used to gain access to, the described premises.
- (2) Extra Expense means expense incurred:
- (a) To avoid or minimize the suspension of business and to continue "operations":
 - (i) At the described premises; or
 - (ii) At replacement premises or at temporary locations, including relocation expenses, and costs to equip and operate the replacement or temporary locations.
 - (b) To minimize the suspension of business if you cannot continue "operations".
 - (c) To:
 - (i) Repair or replace any property; or
 - (ii) Research, replace or restore the lost information on damaged "valuable papers and records"to the extent it reduces the amount of loss that otherwise would have been payable under this Additional Coverage or Additional Coverage f. Business Income.
- (3) With respect to the coverage provided in this Additional Coverage, suspension means:
- (a) The partial slowdown or complete cessation of your business activities; and
 - (b) That a part or all of the described premises is rendered untenable, if coverage for Business Income applies.
- (4) We will only pay for Extra Expense that occurs within 12 consecutive months after the date of direct physical loss or damage. This Additional Coverage is not subject to the Limits of Insurance of **Section I - Property**.

h. Pollutant Clean Up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the earlier of:

- (1) The date of direct physical loss or damage; or
- (2) The end of the policy period.

The most we will pay for each location under this Additional Coverage is \$10,000 for the sum of all such expenses arising out of Covered Causes of Loss occurring during each separate 12 month period of this policy.

i. Civil Authority

We will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises due to direct physical loss of or damage to property, other than at the described premises, caused by or resulting from any Covered Cause of Loss.

The coverage for Business Income will begin 72 hours after the time of that action and will apply for a period of up to three consecutive weeks after coverage begins.

The coverage for necessary Extra Expense will begin immediately after the time of that action and ends:

- (1) 3 consecutive weeks after the time of that action; or
- (2) When your Business Income coverage ends;

whichever is later.

The definitions of Business Income and Extra Expense contained in the Business Income and Extra Expense Additional Coverages also apply to this Civil Authority Additional Coverage. The Civil Authority Additional Coverage is not subject to the Limits of Insurance of **Section I - Property**.

j. Money Orders And Counterfeit Paper Currency

We will pay for loss resulting directly from your having accepted in good faith, in exchange for merchandise, "money" or services:

- (1) Money orders issued by any post office, express company or bank that are not paid upon presentation; or
- (2) "Counterfeit" paper currency that is acquired during the regular course of business.

The most we will pay for any loss under this Additional Coverage is \$1,000.

k. Forgery Or Alteration

- (1) We will pay for loss resulting directly from forgery or alteration of, any check, draft, promissory note, bill of exchange or similar written promise of payment in "money", that you or your agent has issued, or that was issued by someone who impersonates you or your agent.
- (2) If you are sued for refusing to pay the check, draft, promissory note, bill of exchange or similar written promise of payment in "money", on the basis that it has been forged or altered, and you have our written consent to defend against the suit, we will pay for any reasonable legal expenses that you incur in that defense.
- (3) The most we will pay for any loss, including legal expenses, under this Additional Coverage is \$2,500, unless a higher Limit of Insurance is shown in the Declarations.

l. Increased Cost Of Construction

- (1) This Additional Coverage applies only to buildings insured on a replacement cost basis.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with enforcement of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in Paragraphs (3) through (9) of this Additional Coverage.

- (3) The ordinance or law referred to in Paragraph (2) of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises, and is in force at the time of loss.

- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:

- (a) You were required to comply with before the loss, even when the building was undamaged; and
- (b) You failed to comply with.

- (5) Under this Additional Coverage, we will not pay any costs associated with the enforcement of an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

- (6) The most we will pay under this Additional Coverage, for each described building insured under **Section I - Property**, is \$10,000. If a damaged building(s) is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for each damaged building, is \$10,000.

The amount payable under this Additional Coverage is additional insurance.

- (7) With respect to this Additional Coverage:

- (a) We will not pay for the Increased Cost of Construction:

- (i) Until the property is actually repaired or replaced, at the same or another premises; and
- (ii) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

- (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction is the increased cost of construction at the same premises.

- (iii)** The amount that you actually spend that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost is limited to the cost which would have been incurred had the building been built at the original premises.

- (b)** If, at the time of loss, the Limit of Insurance applicable to the lost or damaged property is less than 80% of the full replacement cost of the property immediately before the loss, we will pay the greater of the following amounts, but not more than the Limit of Insurance that applies to the property:

- (i)** The actual cash value of the lost or damaged property; or

- (ii)** A proportion of the cost to repair or replace the lost or damaged property, after application of the deductible and without deduction for depreciation. This proportion will equal the ratio of the applicable Limit of Insurance to 80% of the cost of repair or replacement.

- (c) You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim on a replacement cost basis if you notify us of your intent to do so within 180 days after the loss or damage.
 - (d) We will not pay on a replacement cost basis for any loss or damage:
 - (i) Until the lost or damaged property is actually repaired or replaced; and
 - (ii) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.

However, if the cost to repair or replace the damaged building property is \$2,500 or less, we will settle the loss according to the provisions of Paragraphs **d.(1)(a)** and **d.(1)(b)** above whether or not the actual repair or replacement is complete.
 - (e) The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.
- (2) If the "Actual Cash Value - Buildings" option applies, as shown in the Declarations, Paragraph (1) above does not apply to Buildings. Instead, we will determine the value of Buildings at actual cash value.
- (3) The following property at actual cash value:
- (a) Used or second-hand merchandise held in storage or for sale;
 - (b) Property of others. However, if an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance;
 - (c) Household contents, except personal property in apartments or rooms furnished by you as landlord;
 - (d) Manuscripts;
 - (e) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac.
- (4) Glass at the cost of replacement with safety glazing material if required by law.
- (5) Tenants' Improvements and Betterments at:
- (a) Replacement cost if you make repairs promptly.
 - (b) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
 - (i) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
 - (ii) Divide the amount determined in (i) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.
- (c) Nothing if others pay for repairs or replacement.
- (6) Loss or damage to "valuable papers and records" will be valued at the cost of restoration or replacement, including the cost of data entry, re-programming, computer consultation services and the media on which the data or programs reside. To the extent that the contents of the "valuable papers and records" are not restored, the "valuable papers and records" will be valued at the cost of replacement with blank materials of substantially identical type.
- (7) Applicable only to the Optional Coverages:
- (a) "Money" at its face value; and
 - (b) "Securities" at their value at the close of business on the day the loss is discovered.

(8) Applicable only to Accounts Receivable:

- (a)** If you cannot accurately establish the amount of accounts receivable outstanding as of the time of loss or damage:
 - (i)** We will determine the total of the average monthly amounts of accounts receivable for the 12 months immediately preceding the month in which the loss or damage occurs; and
 - (ii)** We will adjust that total for any normal fluctuations in the amount of accounts receivable for the month in which the loss or damage occurred or for any demonstrated variance from the average for that month.
- (b)** The following will be deducted from the total amount of accounts receivable, however that amount is established:
 - (i)** The amount of the accounts for which there is no loss or damage;
 - (ii)** The amount of the accounts that you are able to re-establish or collect;
 - (iii)** An amount to allow for probable bad debts that you are normally unable to collect; and
 - (iv)** All unearned interest and service charges.
- e.** Our payment for loss of or damage to personal property of others will only be for the account of the owners of the property. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f.** We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g.** We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, provided you have complied with all of the terms of this policy, and
 - (1)** We have reached agreement with you on the amount of loss; or
 - (2)** An appraisal award has been made.

7. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, you may retain the property. But then you must return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limits of Insurance of **Section I - Property**.

8. Resumption Of Operations

We will reduce the amount of your:

- a.** Business Income loss, other than Extra Expense, to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.

- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this policy, the mortgageholder will still have the right to receive loss payment if the mortgageholder:

 - (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and

- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this policy will then apply directly to the mortgageholder.

- (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
- (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:

- (1) 10 days before the effective date of cancellation if we cancel for your non-payment of premium; or
- (2) 30 days before the effective date of cancellation if we cancel for any other reason.

SECTION II - LIABILITY

A. Coverages

1. Business Liability

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury", "property damage" or "personal and advertising injury", to which this insurance does not apply. We may at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:
 - (1) The amount we will pay for damages is limited as described in Paragraph **D - Liability And Medical Expenses Limits Of Insurance in Section II - Liability**; and
 - (2) Our right and duty to defend end when we have used up the applicable limit of insurance in the payment of judgments or settlements or medical expenses.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Paragraph **f. Coverage Extension - Supplementary Payments**.

- b. This insurance applies:
 - (1) To "bodily injury" and "property damage" only if:
 - (a) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";
 - (b) The "bodily injury" or "property damage" occurs during the policy period; and
 - (c) Prior to the policy period, no insured listed under Paragraph **C.1. Who Is An Insured** and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known before the policy period.
 - (2) To "personal and advertising injury" caused by an offense arising out of your business, but only if the offense was committed in the "coverage territory" during the policy period.
- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph **C.1. Who Is An Insured** or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of "bodily injury" or "property damage" after the end of the policy period.
- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph **C.1. Who Is An Insured** or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:
 - (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
 - (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or

- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.
- e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".
- f. **Coverage Extension - Supplementary Payments**
 - (1) In addition to the Limit of Insurance of **Section II - Liability** we will pay, with respect to any claim we investigate or settle, or any "suit" against an insured we defend:
 - (a) All expenses we incur.

 - (d) All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to \$250 a day because of time off from work.
 - (e) All costs taxed against the insured in the "suit".
 - (f) Prejudgment interest awarded against the insured on that part of the judgment we pay. If we make an offer to pay the Limit of Insurance, we will not pay any prejudgment interest based on that period of time after the offer.
 - (g) All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within our Limit of Insurance.
 - (2) If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:

 - (c) The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";
 - (d) The allegations in the "suit" and the information we know about the "occurrence" are such that no conflict appears to exist between the interests of the insured and the interests of the indemnitee;
 - (e) The indemnitee and the insured ask us to conduct and control the defense of that indemnitee against such "suit" and agree that we can assign the same counsel to defend the insured and the indemnitee; and
 - (f) The indemnitee:
 - (i) Agrees in writing to:
 - i. Cooperate with us in the investigation, settlement or defense of the "suit";
 - ii. Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "suit";
 - iii. Notify any other insurer whose coverage is available to the indemnitee; and
 - iv. Cooperate with us with respect to coordinating other applicable insurance available to the indemnitee; and

 - ii. Conduct and control the defense of the indemnitee in such "suit".

- (3) So long as the conditions in Paragraph 2. are met, attorneys' fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments. Notwithstanding the provisions of Paragraph **B.1.b.(2) Exclusions in Section II - Liability**, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when:

 - (5) Under this Additional Coverage, we will not pay for:
 - (a) The enforcement of any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungi", wet or dry rot or bacteria; or
 - (b) Any costs associated with the enforcement of an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess the effects of "pollutants" "fungi", wet or dry rot or bacteria.

2. The following exclusion is added to Paragraph **B.1. Exclusions:**

(i) "Fungi", Wet Rot, Dry Rot And Bacteria

Presence, growth, proliferation, spread or any activity of "fungi", wet or dry rot or bacteria.

But if "fungi", wet or dry rot or bacteria result in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion does not apply:

- (1) When "fungi", wet or dry rot or bacteria result from fire or lightning; or
- (2) To the extent that coverage is provided in the Additional Coverage - Limited Coverage For "Fungi", Wet Or Dry Rot and Bacteria (contained in the Limited Fungi or Bacteria Coverage) if any, with respect to loss or damage by a cause of loss other than fire or lightning.

3. Paragraph **B.2.I.(2)** of the **Exclusions** is replaced by the following:

- (2) Rust or other corrosion, decay, deterioration, hidden or latent defect or any quality in property that causes it to damage or destroy itself;

B. Limited Fungi Or Bacteria Coverage

1. The following **Additional Coverage** is added to Paragraph **A.5**.

i. Limited Coverage For "Fungi", Wet Rot, Dry Rot and Bacteria

- (1) The coverage described in Paragraphs **B.1.i.(2)** and **B.1.i.(6)** only applies when the "fungi", wet or dry rot or bacteria are the result of a "specified cause of loss" other than fire or lightning that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.
- (2) We will pay for loss or damage by "fungi" wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
 - (a) Direct physical loss or damage to Covered Property caused by "fungi", wet or dry rot or bacteria, including the cost of removal of the "fungi", wet or dry rot or bacteria;
 - (b) The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungi", wet or dry rot or bacteria; and
 - (c) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungi", wet or dry rot or bacteria are present.

(3) Unless a higher limit is selected in Schedule, the coverage described under this Limited Coverage is limited to \$15,000. If the Schedule indicates that the Separate Premises Or Locations Options applies, then the amount of coverage is made applicable to separate premises or locations as described in the Schedule. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified caused of loss" (other than fire or lightning) which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungi", wet or dry rot or bacteria, we will not pay more than the total of \$15,000 unless a higher limit is selected in the Schedule even if the "fungi", wet or dry rot or bacteria continues to be present or active, or recurs, in a later policy period.

(4) The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungi", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungi", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungi", wet or dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

- (5) The terms of this Limited Coverage do not increase or reduce the coverage provided under the Water Damage, Other Liquids, Powder Or Molten Material Damage or Collapse Additional Coverages.
- (6) The following applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the suspension of "operations" satisfies all the terms and conditions of the applicable Business Income and/or Extra Expense Additional Coverage.
 - a. If the loss which resulted in "fungi", wet or dry rot or bacteria does not in itself necessitate a suspension of "operations", but such suspension is necessary due to loss or damage to property caused by "fungi", wet or dry rot or bacteria, then our payment under the Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days unless another number of days is indicated in the Schedule. The days need not be consecutive.
 - b. If a covered suspension of "operations" was caused by loss or damage other than "fungi", wet or dry rot or bacteria, but remediation of "fungi", wet or dry or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days unless another number of days is indicated in the Schedule. The days need not be consecutive.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

SINKHOLE LOSS COVERAGE

This endorsement modifies insurance provided under the following:

BUSINESSOWNERS COVERAGE FORM

SCHEDULE

Premises Number	Building Number

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

With respect to the location(s) indicated in the Schedule, the following provisions apply.

A. The following is added to this policy as a Covered Cause of Loss and as a "specified cause of loss". However, as a "specified cause of loss", the following does not apply to the Additional Coverage – Collapse.

Sinkhole Loss, meaning loss or damage to Covered Property when "structural damage" to the covered building, including the foundation, is caused by settlement or systematic weakening of the earth supporting the covered building only if the settlement or systematic weakening results from contemporaneous movement or raveling of soils, sediments, or rock materials into subterranean voids created by the effect of water on a limestone or similar rock formation. Business Personal Property coverage applies only if there is "structural damage" to Covered Property caused by "sinkhole activity".

Business Income, Extended Business Income and Extra Expense coverages do not apply to coverage for "Sinkhole Loss".

Coverage for "Sinkhole Loss" includes stabilization of the building (including land stabilization) and repair to the foundation provided such work is in accordance with the recommendation of a "professional engineer" selected or approved by us stating:

1. That "structural damage" to the covered building has been identified within a reasonable professional probability.
2. That the cause of the "structural damage" is sinkhole activity" within a reasonable professional probability.

3. That the analyses conducted were of sufficient scope to identify "sinkhole activity" as the cause of damage within a reasonable professional probability.
4. A description of the tests performed.
5. A recommendation by the "professional engineer" of methods for stabilizing the land and building and for making repairs to the foundation.

However, until you enter into a contract for performance of building stabilization and/or foundation repair in accordance with the recommendations of the "professional engineer" as set forth in a report from us:

1. We will not pay for underpinning or grouting or any other repair technique performed below the existing foundation of the building; and
2. Our payment for "Sinkhole Loss" to Covered Property may be limited to the actual cash value of the loss to such property.

You must enter into a contract for the performance of building stabilization and/or foundation repair in accordance with the aforementioned recommendations within 90 days after we notify you that there is coverage for your "Sinkhole Loss". This time period is tolled if either party invokes the "neutral evaluation" process, and begins again 10 days after the conclusion of the "neutral evaluation". After you have entered into such contract, we will pay the amounts necessary to begin and perform such repairs as the work is performed and the expenses are incurred. If repair has begun and the aforementioned "professional engineer" determines that the repairs will exceed the applicable Limit of Insurance, we will pay only the remaining portion of the

applicable Limit of Insurance upon such determination. The most we will pay for the total of all "Sinkhole Loss", including building and land stabilization and foundation repair, is the applicable Limit of Insurance on the affected building.

The stabilization and all other repairs to the Covered Property must be completed within 12 months after entering into the contract for the performance of these repairs, unless:

1. There is a mutual agreement between you and us;
2. The claim is involved with the "neutral evaluation" process;
3. The claim is in litigation; or
4. The claim is under mediation.

B. SINKHOLE DEDUCTIBLE CLAUSE

A sinkhole loss deductible applies to Covered Property, when the loss is caused by "Sinkhole Loss".

The amount of your Sinkhole Loss Deductible is shown in your Declarations and applies separately to:

1. Each building, if two or more buildings sustain loss or damage;
2. The building and to personal property in that building, if both sustain loss or damage;
3. Personal property at each building, if personal property at two or more buildings sustains loss or damage;
4. Personal property in the open.

We will not pay for "Sinkhole Loss" until the amount of "Sinkhole Loss" exceeds the sinkhole loss deductible. We will then pay the amount of "Sinkhole Loss" in excess of the sinkhole loss deductible, up to the applicable Limit(s) of Insurance.

When property is covered under the Coverage Extension for Newly Acquired Property: In determining the amount, if any, that we will pay for "Sinkhole Loss", we will deduct an amount equal to a percentage of the value(s) of the property at the time of loss. The applicable percentage for Newly Acquired Property is the highest percentage shown on the Declarations Page for any described premises.

EXAMPLE – APPLICATION OF DEDUCTIBLE:

The amounts of loss to the damaged property are \$60,000 (building) and \$40,000 (business personal property in building).

The actual Limits of Insurance on the damaged property are \$80,000 on the building and \$64,000 on the business personal property.

The sinkhole loss deductible is 10%.

Building

Step (1): $\$80,000 \times 10\% = \$8,000$

Step (2): $\$60,000 - \$8,000 = \$52,000$

Business Personal Property

Step (1): $\$64,000 \times 10\% = \$6,400$

Step (2): $\$40,000 - \$6,400 = \$33,600$

The most we will pay is \$85,600 ($\$52,000 + \$33,600$). That portion of the total loss not covered due to the application of the sinkhole loss deductible is \$14,400 ($\$8,000 + \$6,400$).

- C. "Sinkhole Loss" does not include:
1. Sinking or collapse of land into man-made underground cavities; or
 2. Earthquake.
- D. With respect to coverage provided by this endorsement, the Earth Movement Exclusion and the Collapse Exclusion do not apply.

- E. With respect to a claim for alleged "Sinkhole Loss", the following provision is added:

Following receipt by us of a report from a "professional engineer" or "professional geologist" on the cause of loss and recommendations for land stabilization and repair of property, or if we deny your claim, we will notify you of your right to participate in a "neutral evaluation" program administered by the Florida Department of Financial Services (hereinafter referred to as the Department). The "neutral evaluation" process will supersede the mediation process provided in this policy.

Participation in the "neutral evaluation" program does not change your right to file suit against us in accordance with the Legal Action Against Us Condition in this policy; except that the time for filing suit is extended for a period of 60 days following the conclusion of the neutral evaluation process or five years, whichever is later.

The "neutral evaluator" must be allowed reasonable access to the interior and exterior of the Covered Property to be evaluated or for which a claim has been made. Any reports initiated by you, or an agent of you, confirming a "Sinkhole Loss" or disputing another sinkhole report regarding the Covered Property must be provided to the "neutral evaluator" before the evaluator's physical inspection of the Covered Property.

- F. Coverage for "Sinkhole Loss" under this endorsement does not increase the applicable Limit of Insurance. Even if loss or damage qualifies under, or includes, both Catastrophic Ground Cover Collapse (addressed elsewhere in this policy) and "Sinkhole Loss", only one Limit of Insurance will apply to such loss or damage.
- G. The following provision is added to **Section I – Duties In the Event Of Loss Or Damage** Property Loss Condition:

Notice of any claim for "Sinkhole Loss", must be provided to us in accordance with the terms of this policy within one year of the date of loss.

- H. If you have submitted a claim for "Sinkhole Loss" without good faith grounds for submitting such a claim and we obtain written certification stating there is no "structural damage" or if "sinkhole activity" is eliminated as the cause of such damage to the covered building, then you are required to reimburse us for 50% of the actual costs of the analyses and services.

- I. As a precondition to accepting payment for a "Sinkhole Loss", you must file a copy of any sinkhole report regarding the insured property which was prepared on your behalf or at your request with the County Clerk of Court. You shall bear the cost of filing and recording the sinkhole report. The recording of the report does not:
1. Constitute a lien, encumbrance, or restriction on the title to the real property or constitute a defect in the title to the real property;
 2. Create any cause of action or liability against any grantor of the real property for breach of any warranty of good title or warranty against encumbrances; or
 3. Create any cause of action or liability against a title insurer that insures the title to the real property.
- J. You may not accept a rebate from any person performing repairs for "Sinkhole Loss" covered under this endorsement. If you receive a rebate, coverage under this endorsement is void and you must refund the amount of the rebate to us.
- K. For the purposes of this endorsement, the following are added to the **Definitions in Section I – Property**:
- "Sinkhole" means a landform created by subsidence of soil, sediment, or rock as underlying strata are dissolved by groundwater. A "sinkhole" forms by collapse into subterranean voids created by dissolution of limestone or dolostone or by subsidence as these strata are dissolved.
- "Sinkhole activity" means settlement or systematic weakening of the earth supporting the covered building only if the settlement or systematic weakening results from contemporaneous movement or raveling of soils, sediments, or rock materials into subterranean voids created by the effect of water on a limestone or similar rock formation.
- "Structural damage" means a covered building, regardless of the date of its construction, has experienced the following:
1. Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represents a safety hazard as defined within the Florida Building Code;
 2. Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the "primary structural members" or "primary structural systems" that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those "primary structural members" or "primary structural systems" exceeds one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;
 3. Damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical "primary structural members" to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
 4. Damage that results in the building, or any portion of the building containing "primary structural members" or "primary structural systems", being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or
 5. Damage occurring on or after October 15, 2005, that qualifies as "substantial structural damage" as defined in the Florida Building Code.
- "Primary structural member" means a structural element designed to provide support and stability for the vertical or lateral loads of the overall structure.
- "Primary structural system" means an assemblage of "primary structural members".
- "Neutral evaluation" means the alternative procedure for the resolution process of disputed "sinkhole" insurance claims.
- "Neutral evaluator" means a "professional engineer" or a "professional geologist" who has completed a course of study in alternative dispute resolution designed or approved by the Department for use in the "neutral evaluation" process and who is determined by the Department to be fair and impartial.
